Hand Block Printing Workshop

Sunday, January 12

10-1pm

Studio 278D - at the ICB

Limited to 8 people (3 spaces remaining)

\$95 - includes materials, light refreshments and a \$10 donation to Drawbridge, an arts program for homeless children.

This is an intimate and fun workshop where you will get to print a block designed and carved by you. I love block printing for its ease and accessibility and I love to make repeat patterns or carve a single motif that I can work into my mixed media. There is no experience required, simply a desire to try something new and spend a few hours nurturing your creativity.
